Your command and with faith in Your Prophet, our master Muhamamd (Sollallahu `Alaihi Wasallam), Allah's blessings and peace be upon him, loving him and longing for him, extolling the greatness of his rank and because is he deserving of this. Accept this from us through Your Favours

and Your Grace, and make the veil of forgetfulness fall frommy heart and make me of Your Righteous slaves. YA Allah, make him more Noble than he already. And make him mightier than he is already. And make his light greater than the light from which You created him. And make his station higher than all the stations of the Messengers. And make his rank higher than all the ranks of the Prophets. And I ask You (Ya Allah) for Your Pleasure and his pleasure. Ya Allah, the Lord of the worlds and eternal Well-being and a death following The Book and the Sunna and that my witnessing of Faith is truly without modification or innovation. Forgive me, through Your Grace, Your Favour Your Generosity and Your Nobility for what I have done, Ya Allah, the Merciful of the Merciful and the blessings and peace of Allah (Subhaanahu wa ta`ala) be upon our master Muhammad and his family and Companions
